

GreenLife

Energy Solutions

Reduce Your Utility Bills
at NO COST to You!

You may be eligible for **free home energy upgrades** through **New Jersey Comfort Partners**, a state-funded program. As a licensed contractor, GreenLife is authorized to provide these services to help you lower your energy bills and improve your home's comfort and safety.

The program may include:

- Insulation upgrades
- Air sealing
- HVAC replacement or repairs
- Energy-efficient lighting upgrades
- New energy-saving refrigerators
- Smart thermostat installation
- Water heater upgrades
- Ductwork improvements
- Window and gutter services

How it works:

1. Apply and Qualify
2. Free Home Energy Audit
3. Free Upgrades Installed

NJ MASTER HVAC/R # 19HC00687000

NJ HIC LICENSE # 13VH04248500

GreenLife is a proud, authorized contractor for the New Jersey Comfort Partners program.
